

A Christian Wedding

A Christian wedding is a service of worship. Wedding services held in our church will be planned by the couple in consultation with the minister so that they respect the context of worship.

Weddings and Receptions

A SHARED MINISTRY OF:

As you plan your wedding...

Marriage in the McMinnville Cooperative Ministries requires that couples prepare for the service by:

1. Scheduling the wedding at least four months in advance.
2. Meeting with the minister for at least five sessions of pre-marriage counseling and wedding planning.
3. Attending worship in the church at least once.

A minister of this church will be in charge of the wedding. If you wish to have a relative or friend assist in the service, please discuss this with the minister.

To reserve the church for your wedding date, you will need to pay the entire fee of \$280. This is refundable until 30 days before the wedding; after that date, \$200 only is refundable.

The **Wedding Coordinator** will be helping you through the marriage rehearsal and service. She will help in advising you in the decoration of the sanctuary.

FEE SCHEDULE FOR A WEDDING SERVICE

Includes use of Sanctuary or Great Room for rehearsal and wedding, dressing rooms, accompanist, wedding coordinator, and misc. equipment: \$280.

We do not want to deny anyone a Christian wedding due to inability to pay this fee. Please let the minister know if you need to make arrangements.

THE FIRST STEP...

Call the minister to make your initial appointment, or to get answers for other questions you may have.
